Easy-to-use Weaving Loom . . . quick, practical

It's easy enough to make attitudes of fasting and prayer  
 a part of a man's life. But the real test is whether he  
 is willing to make the sacrifice of giving up his  
 pleasures and desires for the sake of his  
 neighbor. That is the real test of a man's  
 faith. And that is the real test of a man's  
 love. And that is the real test of a man's  
 character. And that is the real test of a man's  
 soul.

## Order Early... Mail Early

This year more than ever  
before it is important  
that you do your Christ-  
mas Shopping early.

As we all know too well this is not a joyful Christmas by any means! Nowhere—not the stores, not the post office, not the post offices—are there the thousands of people to give us the true Christmas spirit. Few of us will have a Christmas Eve as we have had it in other years. There will be only a few of us who have had it. We won't be able to reach in time.

But we can do our part to make it a happy Christmas. We can do a big job and by spreading our Christmas buying and Christmas shopping. We know that Sears & Roebuck can be counted on now as always, to do their full share.

Won't you also urge your friends to help? Help the railroad, help the postoffice, and help Santa by buying as early, as you possibly can—today isn't too soon and mailing as promptly as you can—tomorrow isn't a day too early.

Thanks, and a Merry and Victorious Christmas to you and yours.

# Sears Easy Payment Plan

MAKES CHRISTMAS GIVING EASY

## Only 10% Down on Most Orders

This year it's especially important that you shop and mail early. With Sears Easy Payment Plan you can buy now—weeks ahead of Christmas—and budget your payments over several months.

Begin now to list all the items you want on the Easy Payment side of Sears order blank. You will be pleasantly surprised at how many fine gifts your dollars will buy at Sears low prices.

For articles priced at \$6.00 or less (including tax on sales, if any, and shipping charges) your down payment is only 10%.\*

For all other articles from this catalog (except Furniture, priced over \$6.00) a down payment of 33 1/3%\* (one third) is required. For Furniture items priced over \$6.00, your down payment is 20%\* (one fifth).

\*Where any tax on sales, or transportation charge is to be included in the bill, the amount may be added to the down payment.

## How to Order

List the items you are ordering on the Easy Payment side of the enclosed order blank. Total the prices and be sure your order amounts to \$5.00 or more.

The head of the household should fill in the answers to the questions on the lower part of the coupon and mail it. Then enclose a check or money order for the required down payment and mail the order to Sears.

For amount to send with order see above. If your order contains some articles under \$6.00 (10% down) and some articles over \$6.00 (33 1/3% down), or furniture (20% down), figure the required down payment for each group separately, including tax on sales, and add shipping charges. Then add these down payments together and the total is the amount to send with order.

For amount payable monthly refer to the Payment Table at the right. Notice that the monthly payment is only \$5 for any unpaid balance up to \$35.

## Additional Purchases

Once you have an open account on our books, you'll find it a real convenience. As you need new things, you may add them to your current account—in most cases with no increase in your monthly payments. If the articles you add are individually priced at \$6 or less (including tax on sales, if any, and shipping charges), you need not send a down payment. For items over \$6, the down payments as indicated above apply.

When ordering on Sears Easy Terms, use Easy Payment side of enclosed order blank.

## Royal Purple Chiffon Hosiery

The gift every woman welcomes

### RAYON CHIFFONS... FULL FASHIONED

Average length, **86<sup>c</sup>** Pair      Extra long **96<sup>c</sup>** Pair

It's a wise Santa who gives gift stockings such as these lovely rayons, to our knowledge they are the sheerest available today—because of an ingenious change in the way the fiber is spun. The new rayon was spun in a way that gives it a weight 2½ to 4½ times that of the rayon stockings known to you. The high twist yarns in any of these gauges have a sheer but firm and smooth finish. Reinforcement sewed into a toe, you may get rayon or cotton tops, cotton toes, some full foot reinforcement, but no double stitching. Shpg. wt. pair 3 oz.

Colors for both, beiges, tans, mauves, taupes.

Average length, about 29 in.      Extra long, about 34 inches.  
Sizes: 8½, 9, 9½, 10, 10½      Sizes: 9½, 10, 10½, 11

### RAYON AND SILK MESH... FULL FASHIONED

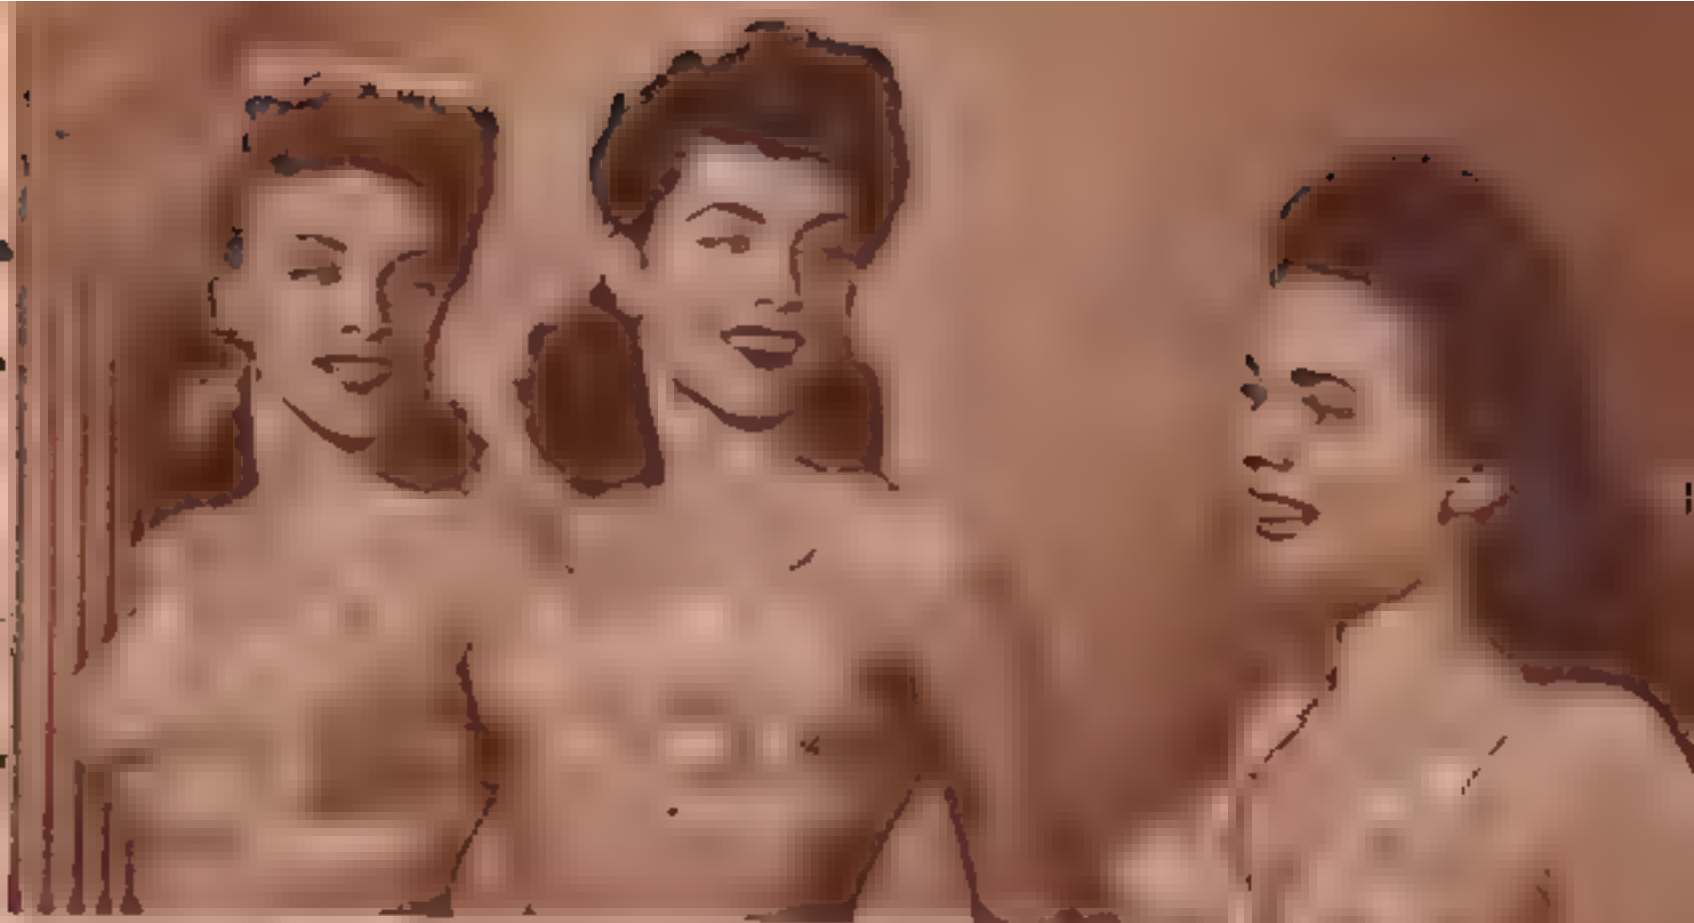

Chiffon weight **\$1.50** Pair

The best gift of all for the woman who loves exquisite things—luxurious, lacy mesh stockings of rayon and pure thread silk. In chiffon weight for your "best dress" occasions, yet durable enough for everyday wear. The combination of dull, high twist yarns, plus the "locksitch" mesh construction imparts unusual elasticity, sheerness and strength—these stockings resist runs, snags and catches more readily than do most plain knit hose.

Full fashioned to fit perfectly. Reinforced tops. Cotton reinforcements inside heels and toes where "shoe rub" is greatest add to their durability. Shpg. wt., pair, 3 oz.

Color: nantones. Sizes: 8½, 9, 9½, 10, 10½
